The Key Comprehension Routine for Primary Grades

The Key Comprehension Routine for Primary Grades teaches K-3 students basic comprehension skills using existing classroom materials. Teachers learn how to use oral language, visuals, and read-aloud to provide grade-appropriate instruction that can be incorporated during core reading and subject-area instruction. This teaching routine can be used to support Tier I instruction for all students and Tiers II and III instruction for students who struggle. This training session includes a training book and covers these topics: oral language and literacy connection, basic text structure, topic web and two-column graphic organizers, retell and summary, and question generation. Appropriate for all grades K-3 teachers, educators who support struggling readers, literacy specialists and coaches, and elementary administrators.

Instructor(s): Laura Britt
